In the event that my on the record request went by too quickly for assimilation, would you please provide unredacted copies of the following companies' proposals. I am hoping they are available in electronic format and would ask that they be transmitted in that manner if possible to avoid mail delays. Thanks in advance.

as you can see what we have received is pretty much garbled and not of much use. We will need hard copies ASAP. Is any of this in springfield and can we get some clearance to get it from the clerk without paying copying expenses? Other wise I guess you will have to FED EX it overnight to Doug. Doug, can you please send Matt our current address to Facilitate FED EX shipment if that becomes necessary. Please keep me in the loop on this. If you need to reach me my cell # is 217 836 3818. Thanks in advance. I had sneaking suspicion this was going too good and I am not disappointed in my premonitions.
